

2013 PINOT NOIR

CREATE YOUR OWN PERFECT MOMENT

Belle Ambiance is a beautiful spot nestled in one of our family vineyards. During our 80 years of making wine in California, we've enjoyed many perfect moment here under the shade of its ancient oak tree. It's the ideal place to relax, watch the sun set and bask in the mood with friends and a glass of wine. We crafted these wines in a rich, indulgent style so we could share that feeling with you.

WINEMAKING

The grapes for Belle Ambiance Pinot Noir were picked during the cool, early morning hours, the optimal time for harvesting this delicate varietal. Upon arrival at the winery, the grapes were gently de-stemmed and eased into a 48-hour cold soak to enhance the vibrant cherry flavors and beautiful crimson color. Following a slow fermentation in small lot tanks, the wine was delicately pressed and racked into stainless and on French oak for aging.
