

2015 PINOT GRIGIO

CREATE YOUR OWN PERFECT MOMENT

Belle Ambiance is a beautiful spot nestled in one of our family vineyards. During our 80 years of making wine in California, we've enjoyed many perfect moment here under the shade of its ancient oak tree. It's the ideal place to relax, watch the sun set and bask in the mood with friends and a glass of wine. We crafted these wines in a rich, indulgent style so we could share that feeling with you.

WINEMAKING

Fruit for Belle Ambiance Pinot Grigio was harvested in the cool hours of the night, delivered to the winery and then immediately pressed into fermenters. A slow, low-temperature fermentation on very low grape solids and aging that took place entirely in stainless steel allowed us to capture all of the delicate fruit and floral aromas that a quality Pinot Grigio delivers.

TASTING NOTES

Delicate floral aromas of lemon blossom, honeysuckle, and jasmine are accented by notes of white peach and juicy pineapple that frame core flavors of sweet honeydew melon, white nectarine and tart lemon. This medium-bodied wine is bright and crisp with a tangy, lingering finish.
